RULEBOOK

Page 11

- Removed 'Place the Student meeple so that it covers the top right box, containing the class level' as it does not apply to Introductory classes.
- Changed wording of step 4 for clarity, from 'Some Area actions will not be available' to 'Some spaces within each board area will not be available'.

Page 12

- Changed wording of Tip for clarity, from 'the second student may enter the class during the Area action step' to 'the second student may enter the class during the Teach a Class action'.
- Removed text from Graduate a Student, '(as well as 1 matching Prestige token, if still available)'.
- Changed wording in Graduate a Student from 'each player receives the Prestige token printed on the Graduation tiles they have claimed' to 'each Graduation tile is worth the number of Prestige shown'.

Page 14

- Added text to description of Area Actions: 'If a player places the seventh piece of a discipline, they immediately place the matching Sankoré tile from the supply into the Sankoré Madrasa. They then gain a Prestige token of the same discipline.'

Page 16

- Removed text from Area Action: Theology, 'It is placed on the space that corresponds to the Student's discipline'.
- Added missing Sankoré tile in space 3 of the Sankoré Madrasa for Play Example: Theology and Play Example: Mathematics.

Page 18

- Changed wording in Check Storage Limits from 'return any Inspiration, Gold, Salt, or Books for which you do not have space' to 'return any Inspiration, Gold, or Salt for which you do not have space'.
- Changed wording in scoring example from 'The Astronomy Sankoré tile in the second row' to 'the Theology Sankoré tile in the second row'.

Page 22

- Theology Class example should not include the '1' space in region A as a valid option, as the Scholar already has majority in this region.

Page 23

- Changed wording in Play Example: Teach a Class – Mathematics from 'However, because it is teaching a Supported Class' to 'However, because it is placing in a space that would normally require a Supported Class'.

Page 24

- Added text to Favour Track slot 3, 'from any position on any Student Queue, see card #11 above'.
